“WOMAN, do not weep!”

“This is the heart with which we are placed before the gaze and the sadness, before the pain of all the people with whom we come into contact, in the street, along our way, in our travels.

A DESTINY THAT IS GOOD. There is a gaze and a heart that penetrates to your very marrow and loves you all the way to your destiny, a gaze and a heart that no one can deflect from His course, no one can render incapable of saying what He thinks and what He feels, no one can render powerless!

(The life I now live in the flesh I live by faith in the Son of God, Milan 2002)

There is nothing that can block the certainty of a destiny that is mysterious and good!
